

Nominating Committee
February 17, 2017

The Nominating committee met via conference call February 17 to review the results of the 2017 IHLS Board Trustee Nomination Survey. The board is seeking 1 academic library representative, 1 school library representative, 1 special library representative and 2 public library trustee representatives. We are lacking in volunteers for the public library trustee representatives.

We discussed various strategies for getting more volunteers and will see if it is possible to resend the interest survey to just public library directors and ask them to share with their trustees. If that is not possible, we will send it to the entire IHLS membership with an explanation for why it is being extended. Survey will be reopened for 7 days and nominating committee members will contact their local public libraries to see if they have suggestions for who in their area might be willing to volunteer.

We will be reviewing the information submitted on the survey to make sure it is complete. If not, we will be contacting those volunteers for complete information for the ballot. The ballot is to be sent to the IHLS membership on March 15.

The next meeting of the Nominating Committee is scheduled for Thursday, March 2, at 10 am.

Questions can be directed to committee members, which include Susan Tulis (Chair), Monica Cameron, Scott Drone-Silvers, Betsy Mahoney, and Lacey Wright.
