RE: Staffing Update

The following represents new hires and a resignation for November.

We are pleased to be able to recommend two new hires this month. These candidates will be part of our Cataloging Maintenance Center Team.

It is sad to see some colleagues leave, and we know that transitions are often a good thing. We thank them for their service to Illinois libraries and wish them well.

Please let me know if you have any questions and I will answer as much as possible at the meeting. Thank you.
