

TO:IHLS Executive CommitteeFROM:Leslie BednarDATE:April 21, 2020RE:FY2021 Draft Budgets

Attached please find our first budget document for your review and consideration—the FY2021 General, Cataloging Maintenance Center (CMC), OCLC Billing, Capital Projects, and SHARE funds. The General and Capital budgets are approved by the board and the Illinois State Library (ISL). The SHARE (proprietary) budget is approved by the board in concurrence with the SHARE Executive Council. The CMC and OCLC budgets (or special revenue budgets) are approved by the ISL.

The General Fund is our operating fund and the projected revenue amount of \$3,400,700.32 is based on communication from the ISL. The budget is one of the primary components of our FY2021 System Area & Per Capita Grant (SAPG) application.

A 3% cost of living increase is included in all staff wages along with the minimum wage model that was accepted at the January 2020 board meeting. The benefit insurance includes a projected 9% increase in insurance premiums, along with life & AD&D benefits for part-time staff. IMRF benefits are calculated with the current calendar year (CY) 2020 rate of 7.84% and preliminary CY2021 rate of 3.73%.

Two projects not yet reflected in the FY2021 General fund budgets are a customer relationship management (CRM) system and integration with OpenGov software. We are currently reviewing options for both projects, and whether we make the primary purchase for one or both still in FY2020. By the time we get to the May meeting cycle we should have this resolved.

We plan to cover the significant changes from FY2020 to FY2021 at Wednesday's meeting. On Wednesday we will note the committee's recommendations and share with the board. The April 28 board meeting is a first read of all budgets, and a great opportunity for discussion about future objectives. The budgets and narratives will be posted on our website following the April 28 board meeting for member feedback.

In May, there will be several opportunities for discussion and review of the proposed FY2021 budgets: --May 11: Finance Committee Meeting

--May 13: Executive Committee Meeting

--May 26: Board Meeting (final approval)

Thank you for your consideration.
