

Nominating Committee
March 14, 2017

The Nominating committee met via conference call March 2 to review the additional interest survey results. We had extended the deadline to try to get additional volunteers to run for the open IHLS Board positions.

Susan Tulis worked with Troy Brown to create the IHLS Board Elections 2017 ballot. There are 4 people running for the academic library representative, 1 for the school library representative, 2 for the special library representative and 2 for the public library trustee representatives.

The ballot is to be sent to the IHLS membership on March 15 with a deadline of April 15th.

The next meeting of the Nominating Committee is scheduled for Friday, April 21, at 10 am.

Questions can be directed to committee members, which include Susan Tulis (Chair), Monica Cameron, Scott Drone-Silvers, Betsy Mahoney, and Lacey Wright
