

Nominating Committee

February 12, 2020

The IHLS Nominating Committee met Wednesday, February 12, 2020, at 11:00 a.m. The committee reviewed the results of the nomination survey. We have received three public library trustee, two special, and two school library nominations. One survey was incomplete and one candidate asked for her nomination to be withdrawn due to the distance to the system offices. Chair Bobbi Perryman is reaching out to both candidates to see what can be worked out. The rest of the committee will follow up with the remaining candidates.

We did not receive any candidates for the open academic library seat. Louise Greene will reach out to her fellow academic librarians to find candidates.

Respectfully submitted,

Bobbi Perryman
