Q4 Is the "Department and Staff Activity Report" informative and easy to read?

#	IF YOU ANSWERED "NO / SOMEWHAT," WHY DID YOU ANSWER THIS WAY?	DATE
1	We do not get a report from the director, get it from the departments	7/13/2022 9:29 AM
2	Too many reports, too long, and sometimes received late. I like how Rhonda has highlights at the footnotes of her report, perhaps we could just get the footnotes in a bulleted list? The current reports are like drinking from a firehose.	7/5/2022 9:21 AM

Q5 Do you have any recommendations to improve communication between IHLS staff and board members? If so, please share them here.

1	I think communication has actually been just fine through email. I would love if we could get a text reminder before meetings with the link to meeting	7/20/2022 3:48 PM
2	I would like to be able to speak to the committee liaison for the committee I chair to get a handle on when we are going to meet and what the meeting will cover. Assuming I still chair a committee.	7/20/2022 8:38 AM
3	There need to be a change in the structure set up, less committee time.	7/13/2022 9:29 AM
4	If it's possible to get text messages to remind me of meetings, especially committee meetings, that would be helpful.	7/5/2022 12:39 PM

6	I am satisfied.	7/5/2022 9:04 AM
7	I still prefer the board meeting link included in an email. It is much more difficult to login to the intranet to find it. I rarely login to intranet and much prefer to access docs through emails that are forwarded to the email address that I check daily (not my IHLS email).	7/5/2022 9:01 AM

Q6 Do you have any recommendations to improve board engagement? If so, please share them here.

#	RESPONSES	DATE
1	I think the board is engaged. But up front expectations and requirements should be communicated before someone joins the board.	7/20/2022 3:48 PM
2	No recommendations, just incredibly busy with so many other obligations closer to home.	7/20/2022 8:38 AM
3	Less committees more taking care of business at actual meetings. Better response from executive board. When attending an executive committee meeting actual responses from them, a board member should not be on public comment at that meeting, again less committees and more business at regular meeting, pattern after Rails.	7/13/2022 9:29 AM
4	I don't know of anything.	7/5/2022 12:39 PM

3	Because my first meeting is tomorrow, I don't have much to add. After a few months, believe me, you will know what I think.	7/19/2022 9:41 AM
4	We need to have an executive director report each month. All items for Board meeting should be sent on the Friday before the board meeting and at the least 48 hours before, otherwise should not be discussed at meeting. Also that the board has open access to not just director but also cfo.	7/13/2022 9:29 AM
