

Illinois Heartland Library System

MEMO TO: IHLS Board of Directors
FROM: Leslie M. Bednar
DATE: April 26, 2020
RE: Surplus Items

Background

When appropriate, IHLS declares which surplus fleet vehicles are surplus for the purpose of resale. Proceeds generated from the sale are generally returned to the General fund and support overall library system operations.

Process

At their April 14 meeting, the Facilities and Operations Committee ***moved the attached list be sent to the board for approval.***

Upon IHLS Board approval, the items are offered first to the Illinois State Library (ISL). This is based on past practice. If the ISL is not interested in any of the attached vehicles, they will then be sold by Enterprise. The proceeds will go toward our lease payments for new fleet vehicles.

Thank you for your consideration, and please let me know if you have any questions.
