

## Membership Considerations

---

Two school districts have applied for system membership.

Those districts are:

- Buncombe Grade School in Johnson County. Site visit conducted on August 18, 2022,
- Mulberry Grove CUSD #1 in Bond County. Site visit conducted on October 5, 2022.

The site visits were conducted by Leah Gregory, IHLS Membership Coordinator/School Library Liaison, and applications have been received.

The applications were brought forward to the Policy and Membership Committee at their November 7, 2022, meeting and the consensus was to move these two school districts to the system board for approval of full system membership.
