RE: Nominating Committee Recommendation

According to our Bylaws, each November the President of the System Board nominates five system members to the nominating committee. The committee's role is to "select and confirm candidates for election to the System Board representing all geographic areas."

The Executive Committee approved the following individuals to serve as the FY2017 Nominating Committee and I now seek acceptance from the board as a whole:

Betsy Mahoney -- Six Mile Regional Library District
Scott- Drone-Silvers – Lake Land College Library
Susan Tulis – Southern Illinois University Carbondale, Morris Library
Lacey Wright -- Barclay Public Library District
Monica Cameron -- Shelbyville Public Library

Thank you for your consideration.
