RE: Vehicle Purchase

Attached please find a quote from Morrow Brothers for a 2017 Ford F450 box truck. System administration recommends the purchase of the vehicle in FY2017. The box truck will be utilized on the ILDS (Illinois Library Delivery Service) evening route between our Edwardsville and Champaign hubs.

The equipment and rate are consistent with those published by CMS (Central Management Services). IHLS requires the optional roll-up side door and the longer, 14' body. The total cost for the box truck is \$62,795.

The total FY2017 Capital Fund Budget is \$402,700.59. At 30 April 2017, Capital Fund expenditures total \$337,295.74.

Thank you for your consideration.
