RE: Membership Considerations

Two school districts have applied for system membership.

Those districts are:

- Geff CSD #14 (Wayne County). Site visit conducted on July 31, 2023.
- Smithton CCSD #130 (Saint Clair County). Site visit conducted on June 19, 2023.

The applications were brought forward to the Policy and Membership Committee at their August 7, 2023, meeting and the consensus was to move these two school districts to the system board for approval as full system members.
