## Fiscal Year 2026 Budget Narrative

July 1, 2025 - June 30, 2026

### FY2026 Budget Narrative

Illinois Heartland Library System has changed and matured in the last 14 fiscal years. As we enter our 15th year as a library support organization, we continue to focus on the core services of resource sharing, delivery, and library automation. We rely on member feedback in surveys to enhance our services and implement innovation when beneficial. Additional areas of focus for FY2026 will again support our 500+ multi-type libraries in the areas of advocacy and continuing education.

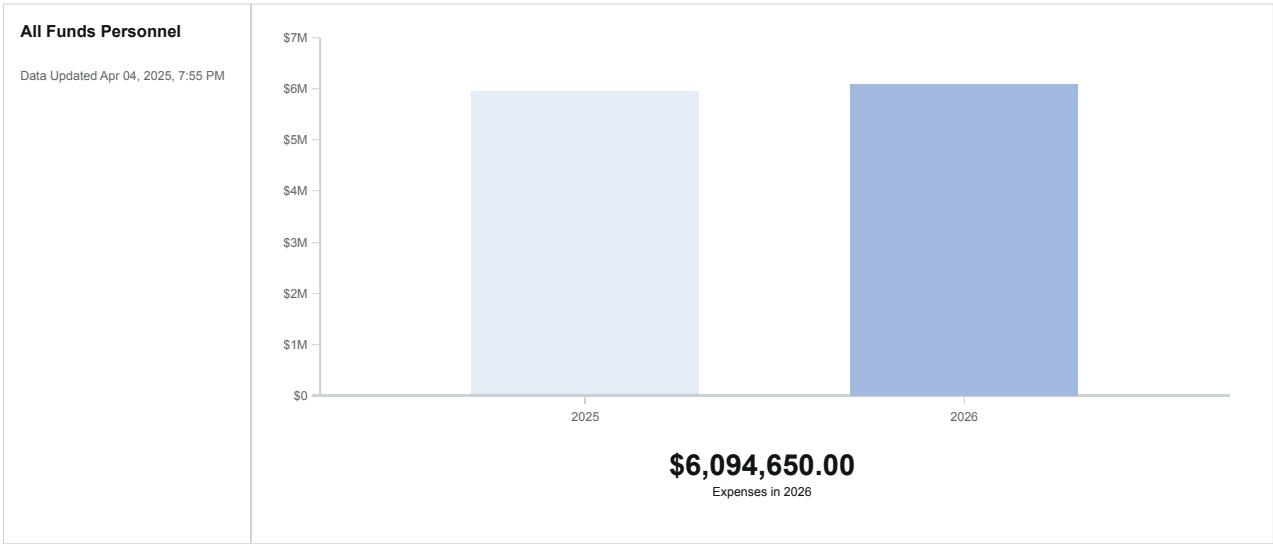

The proposed FY2026 budgets were developed to align with the activities outlined in our operational plan. These activities support the Illinois statutory priorities of library administration, resource sharing, bibliographic access, consulting and continuing education, and delivery. The major planned activities include:

- Continue outreach to school libraries and public library trustees, including the maintenance and promotion of a trustee learning program and updates to the Administrative Ready Reference using funds from the iLEAD Library Trustee Learning grant through the Illinois State Library.

- Maintain exceptional delivery services to member libraries while refining processes to enhance efficiencies through the use of the Automated Materials Handling System (AMHS) machines.
- Enhance services offered to member libraries through E-Resources, the Aspen Discovery Layer, the McNaughton Books Subscription, and the Solus app.
- Continue in-person travel to ensure staff will receive the necessary support for site visits, networking opportunities, and continuing education. This better equips staff to build expertise in different areas of librarianship, therefore enhancing their training skills, helping them build and sustain professional relationships, and keeping them up to date on library marketplace trends.
- Increase resources focused on advocacy, professional development, and networking support for our multi-type membership.
- Contract with our Grants Consultant to explore funding options for additional member services.

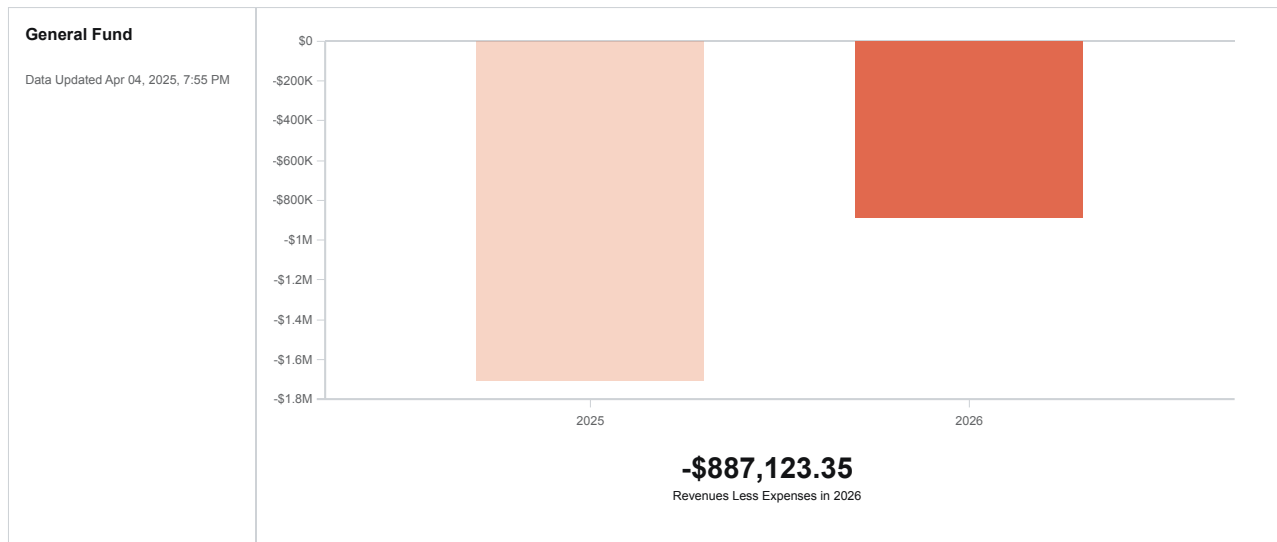

## Personnel

The largest component of our budget is Personnel. This accounts for approximately 67% of our total budget. Our staff are the backbone in the development and implementation of our organizational goals.

- Compensation for all positions, including Library Professionals, Other Professionals, and Support Services, is projected with an increase of 3% of wages.
- Social Security Taxes are projected at 7.65%.
- Unemployment Insurance is projected at 0.32% of the first \$13,916 wages earned per worker.
- Worker’s Compensation Insurance is based on provider estimates.
- Retirement Benefits are projected for staff members who are estimated to work more than 1,000 hours in FY2026. For CY2026, it was estimated with a 10% increase over the CY2025 rate of 0.81%.
- Health, Dental, Vision, Accidental Death, and Life insurance renewals are in January. They will remain at the current rate for CY2025 and are projected at a 5% increase for CY2026.
- Other Fringe Benefits include an employee referral program.
- Retention & Wellness include labor law posters, staff member memorials, and staff gatherings.
- Training & Professional Development include the annual IHLS staff day and ongoing professional development training.
- Temporary Help includes coverage for staff while out on unplanned leave.
- Recruiting includes job postings, fit for duty exams, background checks, and drug screens.

# General Fund Budget Narrative

The General Fund is mainly supported by the System Area and Per Capita Grant through the Illinois State Library and the Secretary of State. The grant supports the Library System’s statutory priorities of library administration, resource sharing, bibliographic access, consulting, continuing education, and delivery to our member libraries. This year’s budget has a projected deficit of \$887,123, which will ultimately be balanced by utilizing reserve funds. The negative cash flow is due to a \$75,000 transfer to the Capital Projects Fund for the purchase of a box truck for ILDS, a \$350,000 transfer to the SHARE Operating Fund for its annual contribution, and \$462,123 in operating expenses. IHLS will pay for these expenses from the General Fund balance, which is \$6,053,141.73 as of February 28, 2025. These reserve funds are derived from the accumulation of previous years’ revenue over expenditures balances—i.e., years of savings.

To help reduce the impact of increasing expenditures, management has reduced expenses in the following categories: Buildings and Grounds, Vehicle Expenses, Travel, Conferences & Continuing Education, Public Relations (i.e., marketing), Supplies, Telephone, Equipment Rental, Professional Services, Contractual Services, and Professional Membership Dues.

## Revenues

The General Fund projected revenues of \$4,570,249 are mainly comprised of \$3,919,852 from the System Area and Per Capita Grant (SAPG) and \$407,550 from the state-wide Illinois Library Delivery Services (ILDS). Other items included are office leasing, HR Source Grant cost-sharing, IHLS Member Day vendor support, investment income, member training revenue, E-Rate funding, grant administration fees for the Cataloging Maintenance Center (CMC) grant, the iLEAD Library Trustee Learning Grant, and the OCLC grant. Also, includes \$26,250 of revenue from SIUC for a potential agreement to assist with broadband support.
