

FY2026 Board Mentors

In FY2022 we introduced a new process to assist newly elected board members transition into their role on the IHLS board of directors. We hope you find this as a valuable tool to assist you in your new role and look forward to having you on the team.

- Mentors will call to welcome new board member/mentee(s).
- Set up regularly scheduled phone calls with mentee(s).
- We encourage mentee(s) to contact their mentor first with questions. If more information is needed, we ask them to contact the board President.
