

Membership Applications for Consideration

Two membership applications from school districts have been reviewed by the Policy and Membership committee and are being brought to the full board for action to approve these applications for membership. Those districts are:

[Joppa-Maple Grove Unit School District #38.](#)

The superintendent of this district contacted Leah Gregory during the summer of 2025 about system membership. This is a K-12 school district in Massac County. For the 2023-2024 school year an enrollment of 199 students housed in two buildings was reported. Ms. Gregory did a site visit on July 22, 2025 and concluded that they did comply with the state membership criteria. The library system has received a complete application from them as well as a signed Memorandum of Agreement.

[Jasper Community Consolidated School District #17](#)

The superintendent of this district contacted Leah Gregory when the school district per capita grants were announced statewide. This is a K-8 district in Wayne County. For the 2023-2024 school year an enrollment of 176 students was reported. Ms. Gregory did a site visit on August 28, 2025 and concluded that they did comply with the state membership criteria. The library system has received a complete application from them as well as a signed Memorandum of Agreement.
