 RE: FY 2020 Board Networking Events Schedule

Below please find our schedule for this year's Board Networking Events. All are scheduled immediately before our board meetings.

We kindly request board members closest to these locations attend in person. This will give our members the opportunity to connect with the board and ask questions, convey concerns or offer suggestions.

In addition to announcement via the system's communication channels, we will extend invitations to member libraries in the vicinity of each location. We look forward to more outreach with our members!
