RE: Staffing Update

The following represents staffing changes for the month of June. We have one recommendation for a new hire at our Champaign location.

When it rains it pours! The first draft of this report was a single page, with the last three entries added in rapid succession. It is very possible we will ask for a special board meeting to approve the hire of replacements for these positions as they are mission critical.

Again this month, we wish a longtime colleague all the best in the next phase of his life. We appreciate his 25 years' service to Illinois library systems and are glad to have had the opportunity to work with him!
