-------------------------------------	---------------------	--

[Learning Express Library](#) Learning Express Library is an education and testing platform that supports those looking to improve core academic skills, pass the GED®, prepare for college, join the military, obtain occupational certification, find a job, change careers, become a U.S. citizen and much more.

[Job and Career Accelerator](#) Job and Career Accelerator takes job seekers even further than the occupational test prep of Learning Express Library. It provides occupation and skills assessments, job search engines, a college and scholarship finder, career advice, a resume builder and much more.

[Learning Express Library with Job and Career Accelerator](#)

[Workforce Solutions](#) Workforce Solutions is for libraries who want all the career information from Learning Express Library and Job and Career Accelerator but have no need for the school and college testing modules. In place of that information, Workforce Solutions adds more robust and advanced Computer Skills learning along with a Workplace Skills area assisting users in areas like Finance, Literacy and Soft Skills.

[LibraryAware](#) LibraryAware helps libraries connect with readers and keep them engaged. Use templates and tools to create newsletters, bookmarks, shelf talkers, flyers, social and digital displays and more for promoting books and resources throughout the library and beyond. Customize colors, branding, images, and more for your community needs.

[Prenda Code Club](#) Prenda Code Club is a self-paced, learn-to-code software for kids ages 8-18. Through hundreds of coding tutorials and dozens of real-world projects, this product uses "gamefication" to provide meaningful life skills such as critical thinking and problem solving for future employment.
