SHARE Report

The SHARE Semi-Annual meeting was held on May 4, at the Effingham Public Library. Proposals for changes to the SHARE Governing document, fine rules, implementation fees, transition to RDA (Resource, Description and Access – the new cataloging rules that SHARE will be adopting to stay current with other consortia), investigation of SHARE becoming an independent not-for-profit organization, and proposed SHARE Executive Council members were reviewed. Electronic voting for the proposals will be conducted from May 11 through May 17.

In addition, member libraries were notified that, at present, approved member fees for FY17 will remain the same, but as more information is gathered regarding the financial status of SHARE (in relationship to the financial status of IHLIS and Illinois), members may be asked to approve a small increase for FY17, and, even more likely, an increase for FY18.
