

Operations Board Report September 2015

Delivery Accomplishments:

Online auction 3. We sold the last 3 vans for a total of \$2405.00. We have now sold 14 vehicles for a total of \$12,268.00!

Delivery Outreach

Visited Central A & M CUSD High School, Assumption school, Moweaqua Public Library and Assumption Public Library

Visited Morrison Talbot in Waterloo to discuss moving them back to the Edwardsville hub

Attended meeting between ISL, RAILS, and CARLI to discuss the Community Delivery Partnerships (CDP). We will begin to actively seek these partnerships now. The agreement forms are now available on the ISL Delivery page at <https://www.cyberdriveillinois.com/departments/library/delivery/delivery-partnerships.html>.

Attended Fred Pryor Seminar "Communications for Women" in St. Louis

Building Updates

Champaign

Status quo

Du Quoin

Roof has been repaired, landlord is waiting on certification to insure that it will be under warrantee by the manufacturer

Toilets were fixed. Apparently someone was putting sanitizer wipes down them. The wipes have been removed from the bathroom.

Edwardsville

Focal Pointe has now landscaped the unfinished area that was created by the construction of Friar Tuck.

Respectfully submitted,

Susan Palmer
