SHARE Report

It seems that we are now holding our own—as opposed to growing—as we add new members to SHARE. While we are diligently working on adding new members, over the summer we were losing members just as quickly, as schools consolidated and closed buildings in an effort to save money. However, we continue to have discussions with more libraries interested in joining SHARE while Dream Grant money is still available, so the opportunity to grow is still there.

SHARE staff and the SHARE committees (Bibliographic & Cataloging Standards, Circulation and Resource Sharing, Policy & Finance, and the Executive Council) continue to work on refining the governing document, policies, and practices for SHARE.

The next SHARE Membership meeting will be held on October 9, at the end of the second annual IHLS Member Day. The purpose of the meeting will be to review proposed changes to the Bibliographic and Cataloging standards, and to add a new standing committee for eResources.
