

Long Range Planning Committee Meeting

May 11, 2015

The committee met on Monday, May 11, 2015.

Member Survey: The results of the survey will be compiled by Bolt Associates and should be available to system staff at the end of May. There were over 200 responses from members and more than 50 from system staff.

Focus Group Report: A draft of this report is ready. Once it has been reviewed, a final version will be available to the committee and then to board.

Planning Retreat: A two day retreat for the committee is tentatively scheduled for July 8-9 in Edwardsville.

Next Steps: Review Focus group Report and bring it to the full board in June.
