RE: Required Citations Schedule

As part of the FY2016 System Area & Per capita Grant application, IHLS stated that board members would systematically review several state and federal citations. A short review of these statutes may be helpful in your role as a representative of member libraries and a steward of public funds.

Please consider the citations you are willing to review for the Board at the November or January meeting. Board members volunteered for some statutes at the May, 2015 meeting. The Chair will seek volunteers at the July 28 meeting.

Thank you.
