

**MEMO TO:** IHLS Board of Directors  
**FROM:** Leslie Bednar  
**DATE:** October 18, 2013  
**RE:** Danville School District #186

Ellen Popit has been working with representatives from the Danville School District on system membership options for over a year. Her first site visit was August, 2012. She followed up with profile sheets sent in February, 2013 and the district returned the completed documentation October 11, 2013. The district has multiple buildings primarily staffed by paraprofessionals and coordinated by the high school librarian, who is certified. Ellen verified with district staff that all things remain as they were in August, 2012 and they do meet our membership criteria.

**Recommendation**

IHLS administration recommends acceptance of the Danville School District membership application.
