INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Illinois Heartland Library System

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Illinois Heartland Library System, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise Illinois Heartland Library System’s basic financial statements, and have issued our report thereon dated September 6, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Illinois Heartland Library System’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Illinois Heartland Library System’s internal control. Accordingly, we do not express an opinion on the effectiveness of the System’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Illinois Heartland Library System’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies. We consider item 2016-1 to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Illinois Heartland Library System's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Illinois Heartland Library System's Response to Findings

Illinois Heartland Library System’s response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Illinois Heartland Library System’s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the System’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the System’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Alton, Illinois
INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Illinois Heartland Library System

Report on Compliance for Each Major Federal Program

We have audited Illinois Heartland Library System’s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Illinois Heartland Library System’s major federal programs for the year ended June 30, 2016. Illinois Heartland Library System’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of Illinois Heartland Library System’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Illinois Heartland Library System’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Illinois Heartland Library System’s compliance.

Opinion on Each Major Federal Program

In our opinion, Illinois Heartland Library System complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.
Management of Illinois Heartland Library System is responsible for establishing and maintaining effective internal control over compliance with the types of requirements referred to above. In planning and performing our audit of compliance, we considered Illinois Heartland Library System’s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Illinois Heartland Library System’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Illinois Heartland Library System, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise Illinois Heartland Library System’s basic financial statements. We issued our report thereon dated September 6, 2016, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of Illinois Heartland Library System under programs of the federal government for the year ended June 30, 2016. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Illinois Heartland Library System, it is not intended to and does not present the financial position, changes in net position, or cash flows of Illinois Heartland Library System.

Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards is presented using the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Noncash Assistance, Federal Insurance and Loans/Loan Guarantees

Illinois Heartland Library System did not receive any noncash assistance, federal guaranteed loans or federal insurance for any of its programs for the year ended June 30, 2016.

Subrecipient Monitoring

Illinois Heartland Library System did not pass through any of its federal funds to subrecipients during the year ended June 30, 2016.

Indirect Cost Rate

Illinois Heartland Library System elected to use the 10% de minimus cost rate.
A. SUMMARY OF AUDITOR’S RESULT

1) The auditor’s report expresses an unmodified opinion on the basic financial statements of Illinois Heartland Library System.

2) A significant deficiency in internal control over financial reporting was disclosed by the audit of the financial statements of Illinois Heartland Library System. This significant deficiency is not considered to be a material weakness.

3) No instances of noncompliance material to the basic financial statements of Illinois Heartland Library System which would be required to be reported in accordance with Governmental Auditing Standards were disclosed during the audit.

4) No significant deficiencies or material weaknesses in internal control over major federal award programs were disclosed during the audit of the major federal award program of Illinois Heartland Library System.

5) The auditor’s report on compliance for the major federal award program for Illinois Heartland Library System expresses an unmodified opinion on all major federal programs.

6) The audit did not disclose any instances required to be reported in accordance with 2 CFR section 200.516(a) relative to the major Federal programs.

7) The programs tested as a major program:
   
   Institute of Museum and Library Services Discretionary Awards
   
   Grants to State Program – CFDA # 45.310

8) The threshold used for distinguishing between Types A and B programs was $750,000.

9) Illinois Heartland Library System does not qualify as a low risk auditee.

B. FINDINGS – FINANCIAL STATEMENT AUDIT

Finding 2016-1 – Internal Control over Financial Statements

Statement of Condition – The System does not prepare their own set of annual financial statements in accordance with accounting principles generally accepted in the United States of America.

Criteria – An Organization is considered to have a deficiency when it does not have the personnel or staff with sufficient training or expertise to prepare the System’s financial statements and relies on the auditor to assist in the preparation of the annual financial statements.

Effect of Condition – Management may not be able to reasonably determine that a material misstatement exists nor allow them to prevent, detect, nor correct one on a timely basis.

Cause of Condition – The System does not have personnel or staff with sufficient training or expertise to ensure the System’s annual financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.
B. FINDINGS – FINANCIAL STATEMENT AUDIT (CONTINUED)

Recommendation – The System should consider the costs and benefits of hiring additional expertise or training existing accounting staff to ensure the System’s annual financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Response – We believe our accounting staff maintains adequate books and records of the System’s transactions. Additionally, we do not believe it is cost beneficial to hire additional accounting expertise to ensure the System’s annual financial statements are prepared in accordance with accounting standards discussed above.
FINDINGS – FINANCIAL STATEMENT AUDIT

Finding 2015-1 – Internal Control over Financial Statements

Statement of Condition – The System does not prepare their own set of annual financial statements in accordance with accounting principles generally accepted in the United States of America.

Criteria – An Organization is considered to have a deficiency when it does not have the personnel or staff with sufficient training or expertise to prepare the System’s financial statements and relies on the auditor to assist in the preparation of the annual financial statements.

Effect of Condition – Management may not be able to reasonably determine that a material misstatement exists nor allow them to prevent, detect, nor correct one on a timely basis.

Cause of Condition – The System does not have personnel or staff with sufficient training or expertise to ensure the System’s annual financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Recommendation – The System should consider the costs and benefits of hiring additional expertise or training existing accounting staff to ensure the System’s annual financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Response – We believe our accounting staff maintains adequate books and records of the System’s transactions. Additionally, we do not believe it is cost beneficial to hire additional accounting expertise to ensure the System’s annual financial statements are prepared in accordance with accounting standards discussed above.
